Handball Competition: Playing for Passion, Not Just Results.

From 13th to 19th September 2025, the Handball ground of Bhonsala Military School echoed with energy, determination, and team spirit during the Inter-Company Handball Competition. For us Ramdandees, the matches were not merely about scores—they were about learning to give our best, enjoy the game, and carry the spirit of sportsmanship, no matter the result.

The Junior Group final on 15th September saw Subhash Chandra Bose Company clinching a thrilling victory by 5 points. On 19th September, the much-awaited Senior Group final between Rana Pratap Company and Swami Vivekanand Company was nothing short of electric. Every pass, every defence, and every goal was met with thunderous cheers. The game swung back and forth until the final minutes, when the persistence of Swami Vivekanand Company

led them to secure the championship with a score of 21–11.

Yet, what mattered most was not the trophy but the lesson—we realised that true winners are those who play with courage, unity, and joy. As the legendary cricketer MS Dhoni once said:

“When you step onto the field, never think about the result. Focus only on giving your 100%—the results will follow.”

The champion trophy was presented by Col Amarendra Hardas, Commandant, but the real victory belonged to every Ramdandee who discovered the thrill of teamwork, the discipline of practice, and the joy of simply playing the game.

The programme, conducted by Rd Rishit Muttyal, class 10 A, reminded us that in the end, the essence of sport is not about the scoreboard - it's about the spirit we carry forward.

Ramdandee's Perspective

For the cadets, this wasn't just about winning or losing. It was about resilience, teamwork, and learning to stand tall even in tough moments. The competition reminded them of the inspiring words of Sachin Tendulkar:

“People throw stones at you and you convert them into milestones.”

The thunderous cheers from their peers, the spirit of fair play, and the determination on the sand court made this competition a memorable experience.

Inter-Company Basketball Competition

The Inter-Company Basketball Competition was held at Bhonsala Military School from 21st to 25th September 2025, featuring two exciting divisions: Group I for Juniors (Classes VIII–IX) and Group II for Seniors (Classes X–XII). The tournament brought together spirited teams from all four companies, showcasing agility, teamwork, and competitive excellence.

The Junior Division Final was played on the evening of 22nd September, where Swami Vivekananda Company (SVC) outplayed Shivaji Company (SC) with a commanding margin of 18 baskets.

The Senior Division Final followed on 25th September, once again setting SVC against SC. In a thrilling display of strategy and coordination, SVC clinched victory with a 10-basket lead, lifting the championship trophy for both divisions.

The matches not only highlighted the sporting talent of the Ramdandees but also reflected the values of discipline, determination, and fair play that Bhonsala instils in its cadets.
